Vision

Empowerment of Women through Quality in Education

Mission

To impart transformational and accessible education that intellectually stimulates and academically inspires women from all sections of society to gain personal strength, build self-reliance, digital competence and enhance entrepreneurial skills to achieve optimum empowerment.

Our institutional objectives are as follows:

- To foster a healthy learning environment
- To make teaching and research relevant to social needs
- To inculcate a humanist outlook in students by means of value based education and community outreach programs
- To focus on vocationalization of courses

S. C. Datta
Director

Dear Friends,

In the academic year 2022-2023, Dr. BMN College of Home Science made a mark at international level. In December 2022, the college welcomed Prof. Dr. Gina Morrison, a Fulbright Visiting Specialist from Wilkes University, Pennsylvania, to our campus. Prof. Morrison was here as part of the college's initiative to promote diversity on campus and she conducted a series of interactive workshops with both faculty and students on the themes of 'Teaching for Change', and 'Adapting to Change: An Exchange of Ideas'. This was followed by a BRICS sponsored international conference titled "Talking across Cultures: Reading South - South Feminisms in India and South Africa" which was in collaboration with Stellenbosch University (South Africa) and the PG Dept. of English, SNDT Women's University (Mumbai). In January, we were delighted to receive Prof. Caroline Fall, Emeritus Professor of International Paediatric Epidemiology, MRC-LEU, University of Southampton, UK who graciously participated in an interactive session on 'Developmental Origins of Health & Diseases' hosted by the FSN Department. Our parent body, Seva Mandal Education Society, was honored to receive a global grant of Rs. 1.5 crore from Rotary International under the 'Unnati Skill Enhancement Scheme', in collaboration with the Rotary Club of Queen's Necklace, Mumbai. Under this unique skill training program, our college is offering modules relevant to the beauty culture industry and the IT sector. Personally, I was nominated by the Alexander von Humboldt Postdoctoral Foundation (Germany) to participate in the first residency program on social cohesion for 4 weeks in Berlin, as part of a cohort of 15 vibrant international scholars from across disciplines.

The awards galore continued at national and state levels. We take pride in sharing that our M.Sc. Clinical Nutrition faculty won the 2nd runner-up prize in the category of "Best Social Initiative for Women Empowerment" at the Bhavishya Bharat - National Award Festival for Social Work for Colleges, while the college freeship committee bagged the 2nd runner-up trophy at the 17th Best Educational Quality Enhancement Team (BEQET) President Award 2023 for the project 'Enabling Women Empowerment Through Financial Assistance' from the NCQM. The Environment Sensitization Committee received a 'Certificate of Appreciation' and trophy for conducting environmental activities, and for their involvement in various cleanliness drives from the NGO United Way, Mumbai. Our students kept the BMN flag flying as Ms. Kainat Kamil Siddiqui (NSS Volunteer, SYBCA) marched in the State Republic Day Parade 2023 held at Shivaji Park, Mumbai, on January 26, 2023, representing SNDTWU, and our sportswomen represented the university in chess, karate and shooting at the national level. We continued to host a number of innovative workshops supported by the Rashtriya Uchchatar Shiksha Abhiyan (RUSA) under the 'Enhancing Quality and Excellence in Select Autonomous Colleges Scheme'. The college celebrated its 3rd Graduation Ceremony as an autonomous

college for students who graduated in 2021-22. Ms. Marja Eining, Deputy Consulate General of the Federal Republic of Germany, presided over the event. For the first time, the college awarded gold medals to the toppers of each program and distinguished alumni awards to our alumni achievers. The college also organised a prize distribution function along with collaborative ventures such as the entrepreneurship skills development seminars by the Tata Power Skill Development Institute (TPSDI) and out-of-the-box research capacity-building activities by the UGC STRIDE Research Capacity Building Centre, in collaboration with the Homi Bhabha Science Centre. The co-curricular committee and sports committee organised exciting events that saw enthusiastic participation. Our intercollegiate festivals, 'Akanksha' and 'Tekzone' continued to draw out the creative talents of students from colleges across Mumbai. The theme for Balmela 2022-23 organised by the Human Development Department was "Khel Khilone: ek safar - a journey from the past to the present," which was conducted as a special outreach activity at the Lion M.P. Bhuta Sion Saravajanik High School. Keeping to our pledge of the holistic development of women students, the Department of Textiles Science and Apparel Design hosted the innovative 'Vastrakala - Exhibition and Sale'. This year's theme for the restaurant set-up by the Department of Resource Management was "Desi Descanso" which received an overwhelming response from all patrons, on and off campus.

I wish to congratulate all the departments and committees for the success with which they have conducted academic, cultural, NSS, sports, and alumni events. We are indebted to the SMES Management for being our pillar of strength as we venture into the uncharted but exciting horizons of the National Education Policy (NEP). I thank our sponsors and philanthropists for their continued support for student freeships and infrastructure development. Heartiest congratulations to my dear teachers, non-teaching and students for excellent teamwork. I also place on record our gratitude to our collaborating partners from the Industry and academia, to our alumni, and dear parents.

With love and regards,

Prof. (Dr.) Mala Pandurang

Students taught senior citizens how to use mobile phones and various applications and safety measures while using them. They performed a dance and a skit to spread awareness about cyber safety followed by some games and entertainment programs. There were 45 senior citizens and 8 students.

‘NUTRISHIKSHA’ - SOCIAL OUTREACH PROGRAMME (RUSA SPONSORED)

Smt. Manjulaben Gunvantrai Shah Department of Post Graduate Studies (MSc Clinical Nutrition & Dietetics) has undertaken nutrition education programs, workshops, and seminars under the Social Outreach Programme “Nutrishiksha”. The nutrition education programs emphasize the importance of a balanced diet, food groups, whole grains, and the benefits of physical activity. The Nutrishiksha program's objective is to create nutritional awareness and lifestyle choices, increase the consumption of whole grains among school children, and disseminate evidence-based information by front-line health workers. The program aims to sensitize school students on various health and nutrition-related concerns and develop a healthy, economically sustainable lifestyle pattern in the community. These students are also advised to visit POSHAN KENDRA (Nutritional Counselling Cell) where a Wellness Report Card is distributed to participants.

VASTRAKALA

The SY and TY students of the Textile Science and Apparel Design Department had arranged an exhibition of textile products named “Vastrakala” on 24th March 2023. The exhibition started with the inauguration of the stall by the chief guest Ms. Kalpana Singh. The students showcased their creativity and made unique handmade textile products such as specs cover, various types of scrunchies, embroidered keychains, gift envelopes, coin pouches, hand made jewelleryes, tie and dye cotton and chiffon dupattas. They also painted and embroidered tote bags, cushion covers, laptop bags, basket hats. The main motive of the stall was to make the students understand how they can promote their handmade products effectively and earn money.

BALMELA

Balmela was organised by the Department of Human Development on the theme “Khel Khilone: Ek Safar - a journey from the past to the present”. It was conducted as an outreach program at Lion M.P. Bhuta Sion Saravajanik High School on 16th February, 2023 which included different types of puppets shows, live creative activities, display of toys and items for sale. There were different types of creative activities and games organised for children. It included 2 puppet shows and live activities for 64 preschoolers and 167 pre-primary students. The students also conducted a workshop on the topic ‘Self Presentation’ titled ‘Svayama Prastutikaran’ for 173 8th and 9th Graders of Lion M.P. Bhuta Sion Saravajanik High School. Ms. Vagmee Shevde, Child Artist was invited as chief guest. On 17th February, 2023 Balmela was organised in the college campus. Various schools and teacher training institutes were invited. A total of 381 students and 190 adults attended the event. Master. Anish Patil, (Actor and Content Creator) was the chief guest.

AKANKSHA

“Akanksha” an intercollegiate fest on the theme “Azadi ka Amrit Mahotsav” was organised on 26th August, 2023. Chief Guest was Ms. Sanobar Pardiwalla, a Bollywood Stunt Woman, and Guest of Honour was Ms. Ankita Dhokale, Marathi Theatre Artist and Alumnae. 10 events were organised. A total of 47 Colleges and 951 students across Mumbai participated.
