1. With over 15 years of experience, Neetu Singhi is a sensitive, creative and innovative leader with multifaceted interests ranging from teaching computer-related subjects right up to mentoring, and encouraging student participation in Dance and Music.
2. She started her career with an understanding what limitations the syllabus poses and this prompted her to keep abreast with the latest Technologies. With the added advantage of the College receiving Autonomy, she participated in planning and formatting the syllabus which created enough space for the inclusion of new subjects based on Industry requirement.
3. Furthermore, Neetu Singhi was motivated to introduce short term courses such as Competitive Exam Training, Digital Marketing, Ethical Hacking and IoT.
4. All this with the sole intention of fulfilling a goal of wanting to make a difference as a lecturer and facilitator. This prompted her to get to know her students better by planning Mentoring Sessions which gave her the opportunity to have one-on-one interactions with students.
5. Being non-judgmental by nature, she made every effort to understand her students, of whom many were from economically weak backgrounds with no sense of direction about future careers and also lacking in self-esteem.
6. In spite of these challenges, she achieved a success record of training, grooming & placing around 2000 students in companies such as Deloitte, Infosys, Tech Mahindra, LTI, Wipro, TCS, Cap Gemini, Cognizant to name a few. In order to achieve this, she planned strategies which included making internship in companies compulsory for the students and providing them the added advantage of 40 hours of Aptitude training sessions with continued monitoring of their progress.
7. Neetu Singhi has made sure that she is part of varied committees such as CSR, Cyber Security, Alumni, Mentoring, and Placements because she believes that this will help her to achieve her goal of ensuring employment for her students.
8. Apart from academics, Neetu has added a feather in her cap with her initiative of forming a dance group – FIREFLIES. This was the result of her own keen interest in dance which helped her to transform students into exceptional dancers who have made her proud by winning accolades in every competition.
9. She won 1st Prize for NCQM-BEQET presentation at the National level for the paper titled “*Enhancing Employability Skills*” in the year 2012-13 and the 1st Prize for National level Research Conference on “*Excellence through Innovation*”, IIBM, Sanpada, Mumbai. Research paper titled “*Innovative Strategies for Campus Placements*” published in *Connaissance* 2014 with ISBN No.978-81-921818-1-3.
10. As a team member she bagged the SILVER trophy for D. L. Shah Awards organized by the Quality Council of India, New Delhi, for the topic ‘*Transformation of Girl Students into Empowered Citizens*’ on 6th April, 2015.
11. She has received Niyukti Acharya Award (Best Training and Placement Officer) 2020-2021 by Bharat Education Excellence – All India Level, “Mentor Par Excellence” Award in 2nd Global Pride Women’s National Award 2020 on 8th March by Yog Ganga Yogic, Scientific and Spiritual Research Foundation, Indore, as well as “Best Leader in Skill Development and Employability Enrichment Initiatives” by Lifestar Global Welfare Foundation in 2nd National Edutech Innovative Summit and Awards.
